

## **Accessing Argonne's Guest Wireless Network**

1. Connect to the “Argonne-guest” wireless network.
2. Open a web browser and attempt to go to [www.anl.gov](http://www.anl.gov). You should automatically reach the registration page.
3. Agree to the “Security and Privacy Notice” by scrolling down to the bottom and clicking on the word “Here”.
4. Enter your name, email address, building/room of your location (use 203/BH-141) a telephone number where you can be reached while using the network, and an Argonne contact person (use Melina Avila). Then click “Click Here To Continue”.
5. Wait a couple of minutes. In some rare cases, you may have to reboot your computer.
